Allman, John

Accommodation

Accommodative esotropia

Acetylcholine

Adaptation, to disorders

ADHD. *See* Attention deficit hyperactivity disorder

Alternating esotropia

Alternating fixation

Alvarez, Bruce

Amblyopia (lazy eye; wandering eye)

- and causes of

- and critical periods (in visual development)

- and effect of age on recovery from

- and motion parallax

- and nature-versus-nurture debate

- and occlusion therapy (patching)

- and perceptual learning

- and recovery from amblyopia after loss of non-amblyopic eye

- and vision therapy

Amphibians

Anisometropia

Anisometropic amblyopia

Anomalous correspondence
